ADMISSIONS SUMMARY

TERMS & CONDITIONS OF APPLICATION

Students will be considered for a place at Wynstones when the Application Form has been completed and returned together with a copy of your child's passport or identity documents, birth certificate and the application fee paid. Admission will be subject to the availability of a place and the school in a position to safely offer a place.

Parents / guardians are advised to acquaint themselves with the policies, aims and ethos of Wynstones; these are available on Wynstones website (www.wynstones.com) or upon request from Wynstones.

Any offer of a place is conditional on the acceptance of the Wynstones' Terms and Conditions as set out in the Parent/Carer contract, which will be issued with the Offer Letter.

1 ACCEPTING A PLACE

An application fee of £275 for a student place is payable before entry (upon submission of the signed Parent / guardian contract).

2 STUDENTS' HEALTH

2.1 Parents/carers are required to inform the **Inclusion Manager** immediately in writing if:

2.1.1 A student contracts any infectious disease or illness in the run up to acceptance. The student will not be allowed to join Wynstones whilst still infected or contagious,

2.1.2 Any medical condition is present or develops which requires particular medical or other supervision. If this information is not declared prior to registration or acceptance or admission, or when the condition develops, Wynstones reserves the right to withdraw the offer of a student's place with immediate effect.

2.2 Students may be required to have a medical examination prior to or upon entering Wynstones or at any time whilst a student is at Wynstones. The Principal may, at any time, also require that a student has a medical examination for the purpose of producing a medical report.

2.3 Parents' / guardians' ongoing consent to emergency medical treatment where necessary for the health and welfare of the student is required upon admission to Wynstones and is a condition of enrolment. Where a parent elects to exclude certain types of treatment (eg blood transfusions) this must be communicated in writing prior to registration. Wynstones reserves the right to request further information in writing in order that this may be passed on to the relevant medical staff if needed. Wynstones will endeavour to bring this information to the attention of treating medics so they are made aware that parents do not consent to specific treatments or procedures. Every effort will be made to achieve this objective but Wynstones may in emergency situations be unable to guarantee this in every situation. Wynstones will not be involved in any decisions relating to medical treatment, or be held responsible for any action that might be taken by medical staff.

3 SPECIAL PRECAUTION

Parents are required to inform the Principal immediately in writing of any Court Order affecting a student and to supply any copies of existing Court Orders with this Registration Form. Copies of any Court Orders issued subsequent to registering and prior to admission must be provided as soon as issued.

4 VARIATION

Wynstones reserves the right to make reasonable changes to its Terms and Conditions to reflect changes in Wynstones' practices and procedures to meet current educational, pastoral and economic needs at any time. The latest Terms and Conditions will always be available at www.wynstones.com

If your child's nationality, as shown on Page 1, is non-British please note that completion of this Application Form represents your confirmation that he/she has the unconditional right to enter, live and study in the UK for the duration of the period of education offered by Wynstones and proof should be provided. By signing this form you will consent to Wynstones notifying and/or supplying information to you and/or your child and their right to enter, reside and study in the UK to assist with immigration control.
